

Tax policy

Purpose

It is Tryg's policy to be a responsible tax, VAT and duty payer in the countries where Tryg operates, regardless of whether such operations are executed in companies, branches or as cross-border transactions.

Tax policy

Tax, VAT and duties constitute an operating cost for Tryg.

For all activity, Tryg optimize the TAX, VAT and duty position as much as possible within the framework of the legislation.

Tryg aims to influence legislation and case law through co-operation with the trade organizations of which Tryg is a member.

Tryg use external tax advisors from well know accounting firms when the tax positions needs to be clarified.

Responsibility:

The tax department in Tryg, which is part of Accounting, has the overall responsibility for ensuring that this policy and any related administrative procedures are followed.
